# ログイン後の画面

The screenshot shows the Cytiva user interface after a successful login. The top navigation bar is dark green and contains the Cytiva logo, a 'Dashboard' link, a 'Product Overview Videos' link, and a 'Sign out' button. Below the navigation bar, a dark blue sidebar on the left contains the text 'You are connected with' and a vertical menu with four items: 'All' (with a globe icon), 'Mediabooks' (with a filmstrip icon), 'Training courses' (with a presentation icon), and 'Knowledge Checks' (with a document icon). The main content area is titled 'Knowledge Vault' and features a grid of video thumbnails. The first thumbnail shows a login screen with the text 'A New Experience: Visual Instructions'. The second thumbnail shows four stainless steel chromatography columns with the text 'AxiChrom™ 50 to 200 Chromatography Columns'. Below these thumbnails are two larger images: one showing two people in white lab coats working with a piece of equipment, and another showing a large piece of industrial equipment. At the bottom of the page, there is a dark blue footer containing the 'sourcin' logo, the text 'Sourcin SA | Grand-Rue 35 | 1630 Bulle | Switzerland | Tel. +41 22 548 02 07', and a language selector set to 'English'.

# コンテンツを確認～AxiChromカラム～

The screenshot displays the Cytiva website interface. At the top, there is a navigation bar with the Cytiva logo, 'Dashboard', 'Product Overview Videos', and a 'Sign out' button. The main content area is divided into several sections:

- AxiChrom™ 50 to 200 Chromatography Columns:** A section with a title, a small image of columns, and a description: "This library illustrates the setup, packing, unpacking and maintenance of the pilot scale AxiChrom columns (50-200) based on the example of an AxiChrom 100 column connect". A "More..." button is located below the text.
- 製品説明 (Product Description):** A red heading with a printer icon and a dropdown arrow.
- Library:** A section containing a list of video thumbnails:
  - A0. AxiChrom column overview:** Pilot scale: 50 to 200 columns.
  - A1.1 System and column preparation:** ÄKTA pilot 600 with AxiChrom 100.
  - A1.2 Connection to other column sizes and systems:** ÄKTA pilot 600 with AxiChrom 100.

The central part of the page features a large video player showing a 3D rendering of five AxiChrom columns on stands. Below the video player is a horizontal gallery of five video thumbnails, each with a title and a small image:

- Pilot scale AxiChrom columns overview:** Shows a row of columns.
- Column main components:** Shows a wooden crate.
- Example of column accessories:** Shows a bag of resin and two screwdrivers.
- Bed supports:** Shows various mechanical parts.
- Chromatography resin accessories:** Shows two white plastic jugs.

# コンテンツを確認 ～XDRバイオリアクター～

The screenshot displays the Cytiva product overview page for XDR Bioreactors. The main content is a video player showing a 3D model of the bioreactor system with labels for 'Vessel', 'Disposable bag', 'I/O cabinet', and 'X-station'. The video player includes a progress bar and a play button. Below the video player is a thumbnail gallery with the following items:

- XDR system overview
- Vessel
- Agitator motor lifting system
- I-O Cabinet
- X-station
- Tem

The sidebar on the left contains a 'Library' section with the following items:

- A0. XDR system overview
- A1. XDR probe preparation before autoclaving  
Bioreactor
- A2. Start up and preparation

The top navigation bar includes the Cytiva logo, 'Dashboard', 'Product Overview Videos', and 'Sign out'.

# コンテンツを確認 ～ÄKTA pilot 600～

The screenshot displays the Cytiva website interface. At the top, there is a navigation bar with the Cytiva logo, a 'Dashboard' link, a 'Product Overview Videos' link, and a 'Sign out' button. The main content area is divided into several sections:

- Product Overview:** A section titled 'ÄKTA™ pilot 600' featuring an image of the system and a brief description: 'ÄKTA pilot 600 is a bench-top chromatography system with a wide flow and pressure range. It suits both production of technical batches and scale-up studies as well as sma'. A 'More...' button is located below the text.
- Library:** A section containing a list of video thumbnails with titles: 'A0. System overview', 'A1. Modules installation for standard system', and 'A2. System preparation for a run'.
- Video Player:** A large video player showing a detailed view of the ÄKTA pilot 600 system in a laboratory setting. The video has a progress bar at the bottom showing 00:00 / 03:03.
- Key Points:** A horizontal row of five video thumbnails below the player, each with a title: 'System overview', 'ÄKTA pilot 600 overview', 'AxiChrom 100 column overview', 'UNICORN overview', and 'Environmental requirements'.

At the bottom left of the screenshot, there is a URL: <https://cytiva.sourcin.com/application/2UsimM1h9/cxaKmSzt6tt=123.27046jIP1X6yflur>

# コンテンツを確認 ～XDUO 2500ミキサー～

The screenshot displays the Cytiva product overview interface for the Xcellerex™ 2500 Mixer. The main content area is a video player showing a white cardboard box on a scale. The left sidebar contains a 'Library' section with three video thumbnails: 'A1. Bag preparation and installation', 'A2. Filling and operating 2500 L', and 'A3. Fluid management applications 2500L Mixers'. The video player has a progress bar at 00:00 and a 'Sign out' button in the top right corner.

# コンテンツを確認 ～XDM/XDUOミキサー～

The screenshot displays the Cytiva product overview interface for Xcellerex™ Mixers. The interface is divided into several sections:

- Navigation Bar:** Features the Cytiva logo, 'Dashboard', 'Product Overview Videos', and a 'Sign out' button.
- Library (Left Sidebar):** Contains a 'Library' section with video thumbnails and titles:
  - A0. Xcellerex mixers overview**
  - A1 Probe preparation before autoclaving** (pH and conductivity probes)
  - A2.1 Basic bag installation** (In 200L polypropylene mixer tote)
- Main Content Area:** Displays a large video player showing a 3D model of a 'Mixer vessel' with a 'General overview' overlay. Below the video player is a horizontal menu with four categories:
  - General overview** (selected)
  - Automation capabilities**
  - Parameters control options**
  - Disposable bag assembly**

# コンテンツを確認 ～ÄKTA ready～

The screenshot displays the Cytiva website interface for the ÄKTA ready Chromatography System. At the top, there is a navigation bar with the Cytiva logo, a 'Dashboard' link, a 'Product Overview Videos' link, and a 'Sign out' button. The main content area is divided into several sections:

- ÄKTA™ ready Chromatography System:** A section with a title, a small image of the system, and a descriptive paragraph: "This library illustrates the flow kit installation and test, the connection of a column and packing performance evaluation as well as the final preparation before run and". Below the text is a "More..." button.
- 製品説明 (Product Description):** A red label positioned below the main title section.
- Library:** A section containing a list of video thumbnails with titles:
  - A0. ÄKTA ready system overview
  - A1. System start-up
  - A2.1 Flow kit installation
- 表示中の動画のキーポイント (Key Points of the Video Being Displayed):** A horizontal row of five video thumbnails corresponding to the main video player's content:
  - ÄKTA ready system overview
  - Control cabinet
  - Flow kit
  - Columns
  - UNICORN software

The central video player shows two views of the ÄKTA ready system: a front view and a side view. The video player includes standard playback controls (play, stop, refresh, progress bar, volume, and full screen) and a timestamp of 02:25.
